Frequently Asked Questions

When will you get your conference login information?

You will get your conference login **at least a week before the conference starts**. If you don't have your login within 7 days of the conference start, please email us.

How long after the conference can you watch the recordings?

You can watch recordings of every conference session **for 7 days** after the conference is over.

If you invited a bestie, will you each get different conference logins?

Yes. Each of you will get a different login. For more information about the bestie rules, read them here: <https://thepmuconference.com/pmu-bestie-offer-rules/>

Frequently Asked Questions (cont.)

When do you get our FREE 6-Months access to the PMU Forms app?

After the conference, you will be able to log in to the PMU Forms app and use it for FREE for 6-months.

If you miss one or more speakers, is there a way to view the video later?

Yes. All of the presentations will be available for an extra 7-days after the conference ends.

When and how will you get your certificates?

You will get your certificates of attendance at the end of the conference.

We have a web app you will use to tell us what name to put on your certificates. And you will use the web app to get your certificates emailed to you.

We will email you your certificates at professional print-quality resolution -- 300 DPI.

You can print your certificates at home, or take the files to an office print shop like a FedEx Office or Office Max / Office Depot for a high-quality print.
